Universidade Santa Cecília – Unisanta

Erasmus+ KA171 – University of Dubrovnik (UNIDU)

Result of the Selection Process – Spring Semester 2026/2027

The Selection Committee of the Erasmus+ KA171 Programme, established through the cooperation agreement between the Universidade Santa Cecília and University of Dubrovnik, hereby announces the result of the selection process for the academic mobility programme corresponding to the Spring Semester (February – June 2027), in accordance with the Call for Applications published for the 2026/2027 academic year.

After evaluation of the submitted documentation, academic merit, motivation letter, curriculum vitae, and English language proficiency interview, the candidate listed below was selected for the Erasmus+ mobility scholarship:

Selected Candidate

- **Ana Flávia Alonso de Freitas**

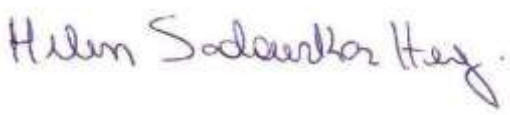

The selected student will participate in a 4.5-month academic mobility period at the University of Dubrovnik, within the field of Applied Marine Ecology and Mariculture, under the Erasmus+ KA171 Programme.

The selected candidate will receive further instructions regarding the next administrative steps, nomination procedures, learning agreement preparation, visa documentation, and travel arrangements.

Santos, November 06, 2026.
